

Once again, it's time to renew your membership to Keystone Canine Club. The Board decided again this year that dues would NOT be increased. Membership will remain the same at \$70 a year (instructors, assistants and Board members' dues will also remain the same at \$35). You will find a Membership Renewal form and Liability Waiver in this newsletter as well as our website at www.keystonecanine.com Please fill out the Renewal form and the Waiver and send them along with your check and a copy of your pet's vaccination (rabies and DHPP) record for each dog to:

Marian Roznowski

The membership renewal period will end on August 31, 2010. Dues, membership renewal form, liability waiver and vaccination record must all be received no later than August 31, 2010. If dues and all forms are not received by August 31, 2010 the member will have to go through the 'application for membership process'.

If you became a member after July 1, 2009, you will be contacted individually as to the amount of your dues for the coming year since new member dues are prorated for the first year. Once notified, you can send your membership renewal form, liability waiver, check for the prorated amount, and copy of your dog's vaccination record(s) to the address mentioned above.
