MEMBERSHIP DUES ARE DUE!
RENEWAL FORM ON PAGE 9

JULY 16 MEMBERSHIP MEETING - HIGHLIGHTS

MOVIE NIGHT: The first movie night will be Saturday June 21.

NEW MEMBERS: A New Members' Packet was given to new members Missy and Andrew Zalinsky and family (Ella, Jordan, and Noah).

MEETING NIGHT: Mitzie stated that because a number of new Board members teach on Monday night, it would be desirable to have our monthly meetings on a different night, possibly Sunday night. No decision has been made yet. There were mixed feeling about Sunday nights.

DOGGIE THERAPIST: Robin Moore will be coming to KCTC starting Saturday July 12, for a 4-week trial period. Sessions will be ½ hour and will be $35.

COMMUNITY RELATIONS: The K9ers continue to do many demonstrations. Potential new members are welcome to come to Sunday night (6:30 pm) practices.

BETHEL PARK MAGAZINE ARTICLE: A nice article about KCTC was published in the current issue of the BP Courier. All agreed that it was good publicity for the club.

PUBLICITY/PUBLIC RELATIONS CHAIR: Barbara Newman graciously consented to become our new PR chair.

FUNDRAISER CHAIR: Missy Zalinsky graciously consented to become our new Fundraiser chair.

TEACUP AGILITY: We are planning to host a Teacup Agility trial in our building. Toni is investigating dates in March or April and judge availability.

FUN MATCH: Potential dates for the next fun match, to avoid conflicts with other local dog shows and trials, would be Sunday Sept. 21 or Sunday Oct. 5. The consensus was that we use Village Green rather than the barn at Angel Ridge, because it is much closer and much less expensive. It also has convenient restroom and food preparation facilities. Lucy suggested and all agreed that we reserve both dates at Village Green, and use Oct. 5 as a rain date.

AGILITY DEMO: KCTC is participating with Splash N Dash to do an agility demo at Rev Up and Roll car cruise on June 20 in South Park.

KCTC T-SHIRTS: Since we last sold T-shirts with our new logo, we have added a lot of new members. Barbara suggested that we take new orders, and hang a T-shirt on a wall at the club to better advertise them.

 DEMOS

BRAGS

From Dee Farrell:

I am extremely pleased to announce that Pebbles earned her first leg in Novice Standard on June 15 at the Three Rivers Sheltie Club agility trial. Dee and Pebbles earned a score of 95 and took home a 1st place blue (Dee's favorite color) ribbon. Dee greatly appreciates the support and encouragement of her KCTC classmates and friends during the trying times and was so happy that they celebrated this milestone with her.

DOGS CAN FLY

By Icy Lewis, MXP2, MJP2

Here is a quiz for all you dog experts: Look at the photo that goes with this article, and try to guess what I am doing.

- Taking a magic carpet ride
- Trying to qualify for the Doggie Olympic High Jump Team
- Proving that dogs can fly
- Going over an invisible jump
- Proving that the law of gravity doesn't always work

The correct answer is "none of the above!" Here is what happened: I have been running in agility trials for as long as I can remember. My owner Pam expects me to do the same thing time after time after time. For example, on the down side of the teeter, I am expected to touch the contact zone (yellow painted area). How boring! So for my 10th birthday, I decided to celebrate by giving Pam a little surprise. Instead of the same-old, I took a flying leap to give her some excitement. And boy did she get excited!

Thanks to Pam I am in very good shape, and suffered no injury when I landed. But she will never forget my 10th birthday.

WHAT A GREAT PHOTO! THANKS TO PAM LEWIS FOR
