July Membership Meeting Ice Cream Social July 16, 2017 7:00 pm

No Ice Cream Eating Dogs Please

From the President

We are continuing to fine tune our new enrollment process. Hopefully the Session IV enrollments are going smoothly for everyone. By the way, as a courtesy to your instructors, please let them know if you will be unable to attend any classes.

Rosanne Minich has taken over as our new Community Events Chair. She braved the South Park heat on June 17 to head up our participation in the annual Pet Fair there. Thanks to the other KCTC members who helped staff our table that day: Patti Ennis, Judy Mueller, Jacqueline Saslawski, and Dana and Bill Scheutte. And thanks to Lisa Sbei, who organized this event, and was a great help during her time as our previous Chair.

Also, thanks to Rosanne for donating a blower to the club for quick clean-up of dog hair on the floor.

We had over 25 people attend the WCRL Rally Seminar presented by Phyllis Huber on June 25. I've been told that everyone learned a lot about the new signs and the new rules. Thanks to Phyllis for putting this on. She will be doing a second seminar at KCTC on September 16. It is a continuation of the first. There will be working and auditing spots available. More information to come.

Doggie quote for the month: "Women and cats will do as they please, and men and dogs should relax and get used to the idea." – Robert A. Heinlein

Remember, have fun with your dogs!

KEYSTONE CANINE ACCOMPLISHMENTS

Solomon aka CH Kelvington's Once 'N A Blue Moon CD BN RN HT NJP VC earned his Novice Fast Preferred title at the Three Rivers Shetland Sheepdog Agility trial on June 17 with a 2nd place to boot! Finishing that title also finished his Champion Versatility Excellent title with our National sheltie club. We are so proud of Solomon. Solomon is out of Chet aka CH Kelbren Blue Flame CD RN NAJ AJP and Sony aka CH Kelvington's Elec Tri Fying ROM. Elaine Kelvington

Sandy and **Gilbert** were published among the "smiling dogs of summer" in the magazine called "BARK". Cris Gill

Missy earned her Teacup Master Agility Games (TMAG) title at B&D Creekside Activity Center on June 25. Emil Pohodich was the judge and did a great job. Missy and I had a really fun day! So very proud of her! Diane Valley

In June, **Addie** and I had two early morning drives to Cleveland to test our nosework skills in the C- Wags Scent Detective venue. On June 3, Addie had a perfect day at Canine Affair Center's trial. She Q'd on all 4 of her runs, earning two legs each towards her Level 1 and Level 2 titles. On June 11, we travelled to Fortunate Fido's first nosework trial. Addie earned 3 more Q's, giving her the Level 1 Scent Patrol title, and another leg towards her Level 2 title. While C- Wags does not award placements, Addie is #1 to me! Laura Leonard

Congratulations to **Laika** who earned her Time to Beat 3 title - T2B3. Pam Lewis

On our vacation to Utah, **Blaze, Jackson and Banner** tried their paws at Barn Hunt. This was their first time. They did very well, thanks to their nose work training! Once they knew what they were hunting for, they were off. It was a fun day in Utah with our Utah friends.

A huge congratulations to **MACH Buddington's Star Spangled Banner**. Banner earned his MACH in exactly 1 year. He started in Novice on June 9, 2016 and a year to the day finished his MACH. We had some pretty exciting times in that year with his puppy silliness. I was secretly hoping that he would achieve this goal, but never thought he'd be able to pull it off. In the last 2 months, he put together a string of 9 Double Q's in a row and we made it! That's my boy! Debbie Aheimer
