## *A Message from the President*

As I mentioned in an email I recently sent out to everyone, we are continuing with our resumption of events and classes. This includes our July 19 membership meeting and awards presentation, our Rodeo Dog trial July 26, our Ranger Scentwork trial August 2, and the beginning of our Session IV classes on August 3. Enrollment for Session IV begins at 9:00 on July 26. Thanks to Pat Warnick, our hard-working Training Director, for putting together the class schedule.

Please continue to comply with the COVID-19 Protocol for KCTC. This includes wearing a face mask in the building and maintaining social distancing. Again, let's continue to do this so that we all stay safe!

We will have individually boxed desserts at our July 19 membership meeting. If you plan to attend, please email Mary Jo Daly (rotheram@aol.com) so that she can get an accurate head count for the desserts.

Finally, a BIG thank you to Sharon Hareza. Our agility A-frame needed to be re-rubberized and repainted, and Sharon agreed to do this (She is our resident expert on contact equipment resurfacing). But Sharon (assisted by her husband David) not only resurfaced the A-frame, she also resurfaced EVERY SINGLE PIECE OF KCTC CONTACT EQUIPMENT (both Standard size and Teacup size)! And of course she did a fabulous job. Please thank Sharon the next time you see her, especially if you participate in agility.

I hope everyone is staying safe and having fun with your dogs!

# *Weave Poles with Lisa Selthofer: Online Classes Starting Soon*

Hi Everyone!

This is just a reminder that if anyone is interested in taking the online weave pole class with Lisa Selthofer, she will be starting one at the end of July. Lisa teaches all major weave methods, and you do not need any equipment to learn how to teach your dog/dogs to weave. You can email her at [agilityone@gmail.com](mailto:agilityone@gmail.com) to tell her you are interested in finding out more about her class.
