A Message from the President

Greetings,

The fall boasts a pretty busy schedule: 4 trials: Teacup Agility, C-WAGS Scentwork, WCRL Rally, and Rodeo Dog. KCTC has also been invited to participate in the Peters Township Library's Animal Fair on September 18. For those of us not participating, these are great opportunities to support our fellow club members by volunteering to help.

Barb Powischill is coordinating the KCTC spot at the Animal Fair, which will be held on Saturday, September 18, 2021, from 10:00 AM till 1:00 PM. The purpose of the "Keystone Canine Training Club" table would be to help educate fellow animal lovers about our club and the training that our club has to offer. Any donation of your time would be appreciated! Please email her at cindersmom_2@hotmail.com or telephone her at 412-881-5683 if you would like to volunteer.

Links to the Teacup Agility and C-WAGS premiums are on the homepage.

Amazing doesn't even begin to describe the weekend that Greyson and I just had!! He and I went to the Columbus All Breed Training Club's scent work trial on August 7th and 8th in the hopes of finishing some of his Novice AKC Scent Work titles. He did that and so much more!! On Saturday, he finished all four of his AKC Novice Scent Work titles as well as his overall Novice Scent Work title. And in addition to finishing those titles, he won the Novice B Exterior, Interior and Buried classes. On Sunday, I moved him up to the Advanced Exterior class just to see how he'd handle it. Well, I guess he showed me!! He won the Advanced Exterior class the first time out of the box!! Greyson qualified on 11 of our 12 searches in Columbus, and he had four first placements and four second placements on those qualifying runs. It was a dream weekend for the two of us. It was beastly hot on Saturday and Sunday, and he never stopped working for me. This weekend was one that I will always cherish. Greyson gave me everything he had, and I love and appreciate him more than words can say.

Opie achieved his BCAT at the Three Rivers Sheltie Club FAST CAT trial in Latrobe. His average speed for the weekend was 19.25 mph. He lives for the infamous plastic bag.

The dynamic Rodeo Dog duo of Rags and Buttons had a fun time at KCTC's July Rodeo Dog trials. Cowboy Rags rode off with his Halter Straight Line title and, not to be outdone, Cowgirl Buttons lassoed her Performance titles in Straight Line, Round Up and Lock Stock and Barrel!! So proud of these two!

-Linda Irwin

Katie earned her AKC Open Standard title, her first Excellent Jumpers leg and 2 first place ribbons to boot at the recent AAKA agility trial. The girl sure loves agility!

I am so happy to share that Katie earned her CPE C-ATCH (Agility Trial Champion) title on 8/7/21. Not to be out done, Saylor earned her C-ATCH2 title the same day. What a great agility day. So proud of my girls!

Mandy earned her TEACUP AGILITY CHAMPION (TACH) and her TEA MAG games title on Sunday August 29th at SPLASH AND DASH canine club with judge Sherri Rockhill. We just wanted to thank all of her wonderful instructors at our Keystone canine club who helped her achieve this goal. We are so grateful for you. Mandy started running teacup at age 10 and still running at age 13. Proud and love this little yorkie poo.
