Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

A Copy of your dog's Jump Height Card must be attached to the entry form or presented at check-in. The judge must measure any dog without a jump height card before they can run.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

Snacks and drinks will be available at the trial. Lunch will be available on site for Saturday and Sunday.

There will be a dog potty area provided. Please pick up after your dog. Plastic bags and garbage receptacles will be provided.

Moving up to the next class

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary in writing or by email, no later than Monday, October 4th at 6:00pm. Move ups over the weekend will be accommodated, provided the information is provided before the trial ends each day.

How the Fast Track Move-Up Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, the dog can move up from Game I to Games III by earning qualifying scores in each of the lower two levels.

A qualifying score in the lower class is required to move up to the next higher class. **The dog's owner must submit a copy of title certificates for the dog.**

Please mark each of the following that apply:

Move up from Beginner to: Intermediate Superior

Move up from Games 1 to Games II Games III

Submit \$8.00 with a class move-up request and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level and is non-refundable. This payment must be paid even if it was paid for an earlier trial.

HEIGHT DIVISIONS: Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: $\text{Height from the elbow to the ground} \div \text{height at the withers} = \% \text{ (ratio)}$. If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height. Dogs without a TDAA height card will need to be measured at the trial.

- 4" jump height - Restricted to dogs measuring 8 inches and under at the withers
- 8" jump height – Restricted to dogs measuring 12 inches and under at the withers
- 12" jump height – Restricted to dogs measuring 15 inches and under at the withers
